

# Accelerate your HCM Transformation with Confidence

As a Dayforce Growth Partner and Microsoft Solutions Partner, OnActuate delivers smart, scalable HCM solutions – driving faster results and lasting impact.

## A Partnership Built for Success

### Comprehensive Implementation

Seamless planning-to-go-live delivery, with deep expertise in Public Sector and unionized environments.

### Unlocking Your Full Potential

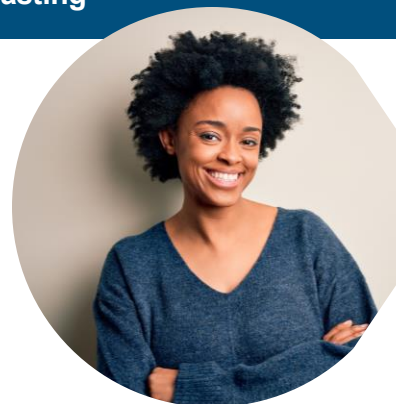

Integration, analytics, data migration, and continuous support tailored to complex business needs.

### Post-Go-Live Excellence

Ongoing optimization and support through Managed Services—so your solution evolves with you.

### Streamlined Data Conversion

Modern data tools can automate legacy data migration. Offloading the ETL of your legacy data lowers projects risk, keeps the timeline on track, and decreases your staff's efforts.

## Why Dayforce + OnActuate?

### Support Integrations

OnActuate offers a maintained integration-as-a-service between D365 Finance & Dayforce.

### End-to-End Confidence

From payroll to core HR, we deliver high-quality and rigorous projects..

### Proven in Complex Environments

Trusted by Public Sector and enterprise clients to get it right—every time.
